THE NEW 5150^{III} AMP

"It will blow your mind."
Eddie Van Halen

Eddie Van Halen and Fender® have joined forces to bring you EVH® brand guitars, amps and accessories. Introducing the EVH 5150^{III} amplifier. Fasten your seat belt!

EVH 5150^{III} heads and cabinets deliver the sound—the incredible tones Eddie Van Halen has chased his whole life. He has designed and crafted each of the head's three channels: a truly clean channel, a super-heavy crunch channel and an all-scale overdrive channel you're simply not going to believe. Available in black and ivory, with an unmistakable look and sound that's pure EVH.
