THE MANY VIEWS OF

Baptism

THE MANY VIEWS OF BAPTISM

“It represents in an outward symbol the inward work of the Spirit, and shows how, according to his mercy, he saved us by the washing of regeneration, and the renewing of the Holy Ghost, a work already performed upon the heart of the candidate, by an application of the cleansing blood of Christ”

[Edward T. Hiscox, The Baptist Church Directory, 1911, p28]

THE MANY VIEWS OF BAPTISM

“Baptism is not essential to salvation, for our churches utterly repudiate the dogma of ‘baptismal regeneration;’ but it is essential to obedience, since Christ has commanded it. It is also essential to a public confession of Christ before the world, and to membership in the church which is his body. And no true lover of his Lord will refuse these acts of obedience and tokens of affection.

[Hiscox, Standard Manual for Baptist Churches]
