(69 years old)

Though Being Dead Still Speaks

To All My Brothers And Sisters
In Christ

Now after my death I want you to know as the Lord spoke to me I want to up-lift my brothers and sisters in Christ.

Though Being Dead Still Speaks

To All My Brothers And Sisters
In Christ

I am gone, but I am alive! The Lord gives to all
those who believe, a new perfect eternal home.

Though Being Dead Still Speaks

To All My Brothers And Sisters
In Christ

While with you, the Lord's church was my home.
Until each of you join me, I want all not to grieve
but remain strong in the Lord, then all others will
know you are a special people not of this world.

Though Being Dead Still Speaks

To All My Brothers And Sisters
In Christ

Out of the world we came, for some it was harder than others, yet we know no sin can now overtake us. God will always be with us and will not forsake or fail us.

Though Being Dead Still Speaks

To All My Brothers And Sisters
In Christ

We must never lose faith in times of stress or sorrow and remain strong, with a Godly courage, as each one encourages the other. That's when our faith shines through.

Though Being Dead Still Speaks

To All My Brothers And Sisters
In Christ

Miracles and prayers are still answered because we all have experienced the miracle of the new birth. It is the greatest miracle and most un-questionable.

Though Being Dead Still Speaks

To All My Brothers And Sisters
In Christ

Soon, we shall be together in God's heavenly world of countless miracles where eternal love keeps it all together as we share in praising God forever. Be happy, stay strong in the Lord.

God bless all,

Dave O Hearn
