

**Religion
Can Be A
CRUTCH**

Every argument for God is a lame excuse for believing in something that doesn't exist.

**Religion is far and away the worst thing that ever happened to humanity. Religion is stupid. Every word of every one of them. Spreading religion is spreading stupid like the disease that it is.
Religion drags humanity backward.**

Here is the long and short answer to the Jesus myth for your reading pleasure: Did Jesus ever exist? Short answer: the evidence shows that Jesus Christ is just a mythical character and never existed.

“How to lose your faith by the time you’re 20.” Just read the Bible. Once you get to the parts about talking snakes, bats being birds and delighting in bashing babies skulls in on rocks, you’ll hopefully turn away from this nonsense.

You are born, you live, and you die. There’s nothing more to it. I have neither the time nor crayons to keep telling you this.

Over 2000 years and not a word from Jesus; not even a single Christmas card saying I am alive and doing fine. You would think Jesus would show himself to modern man. That would keep billions of Muslims, Jews, Hindus, Sikhs and Mormons from burning in hell forever and ever.

Aaron Rodgers

I don't know how you can believe in a God who wants to condemn most of the planet to a fiery hell. What type of loving, sensitive, omnipresent, omnipotent being wants to condemn his beautiful creation to a fiery hell at the end of all this?

Aaron Rodgers

“Religion can be a crutch,” Rodgers continued. “It can be something that people have to have to make themselves feel better. Because it’s set up binary, it’s us and them; saved and unsaved; heaven and hell; it’s enlightened and heathen; it’s holy and righteous; that makes a lot of people feel better about themselves.”

Song “Imagine” by John Lennon

Imagine there's no heaven

It's easy if you try

No hell below us

Above us only sky

Imagine all the people

Living for today

Imagine there's no countries

It isn't hard to do

Nothing to kill or die for

And no religion, too

Imagine all the people

Living life in peace

You may say that I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will live as one

Imagine no possessions

I wonder if you can

No need for greed or hunger

A brotherhood of man

Imagine all the people

Sharing all the world
