SERMON NOTES AM

RELIGION CAN BE A CRUTCH

Knowing this first: that scoffers will come in the last days, walking according to their own lusts, and saying, "Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation." (2 Peter 3:3-4)

- Every argument for God is a lame excuse for believing in something that doesn't exist.
- Religion is far and away the worst thing that ever happened to humanity. Religion is stupid. Every word of every one of them. Spreading religion is spreading stupid like the disease that it is. Religion drags humanity backward.
- Here is the long and short answer to the Jesus myth for your reading pleasure: Did Jesus ever exist? Short answer: the evidence shows that Jesus Christ is just a mythical character and never existed.
- "How to lose your faith by the time you're 20." Just read the Bible. Once you get to the parts about talking snakes, bats being birds and delighting in bashing babies skulls in on rocks, you'll hopefully turn away from this nonsense.

- You are born, you live, and you die. There's nothing more to it. I have neither the time nor crayons to keep telling you this.
- Over 2000 years and not a word from Jesus; not even a single Christmas card saying I am alive and doing fine. You would think Jesus would show himself to modern man. That would keep billions of Muslims, Jews, Hindus, Sikhs and Mormons from burning in hell forever and ever.
- Aaron Rodgers: "I don't know how you can believe in a God who wants to condemn most of the planet to a fiery hell. What type of loving, sensitive, omnipresent, omnipotent being wants to condemn his beautiful creation to a fiery hell at the end of all this?" "Religion can be a crutch," Rodgers continued. "It can be something that people have to have to make themselves feel better. Because it's set up binary, it's us and them; saved and unsaved; heaven and hell; it's enlightened and heathen; it's holy and righteous; that makes a lot of people feel better about themselves."

How Do You Answer The Challenges To Your Faith?

Truth is older than error!

1. Seek to _____ and define the _____
2. _____ the argument to allow the discussion to follow its natural _____

Song "Imagine" by John Lennon

With _____ or without _____? *Galatians 5:19-23 (p 1341)*

IS RELIGION A CRUTCH?

O LORD, I KNOW THE WAY OF MAN IS NOT IN HIMSELF; IT IS NOT IN MAN WHO WALKS TO DIRECT HIS OWN STEPS.

JEREMIAH 10:23 (P 881)

THERE IS A WAY THAT SEEMS RIGHT TO A MAN, BUT ITS END IS THE WAY OF DEATH.

PROVERBS 14:12 (P 740)

A crutch is what you use to prop yourself up with.
