The Chinese Language

- First written over 4,500 years ago
- The inventors of the written language drew pictures to express words or ideas

起初，神創造天地。

Genesis 1:1 (p 1)

The "mouth man" or "spokes person" for the family was usually the oldest son or brother

Well known history and common everyday things were used to make a word so people could remember it

Many in China Today believe that the Bible is a Western book

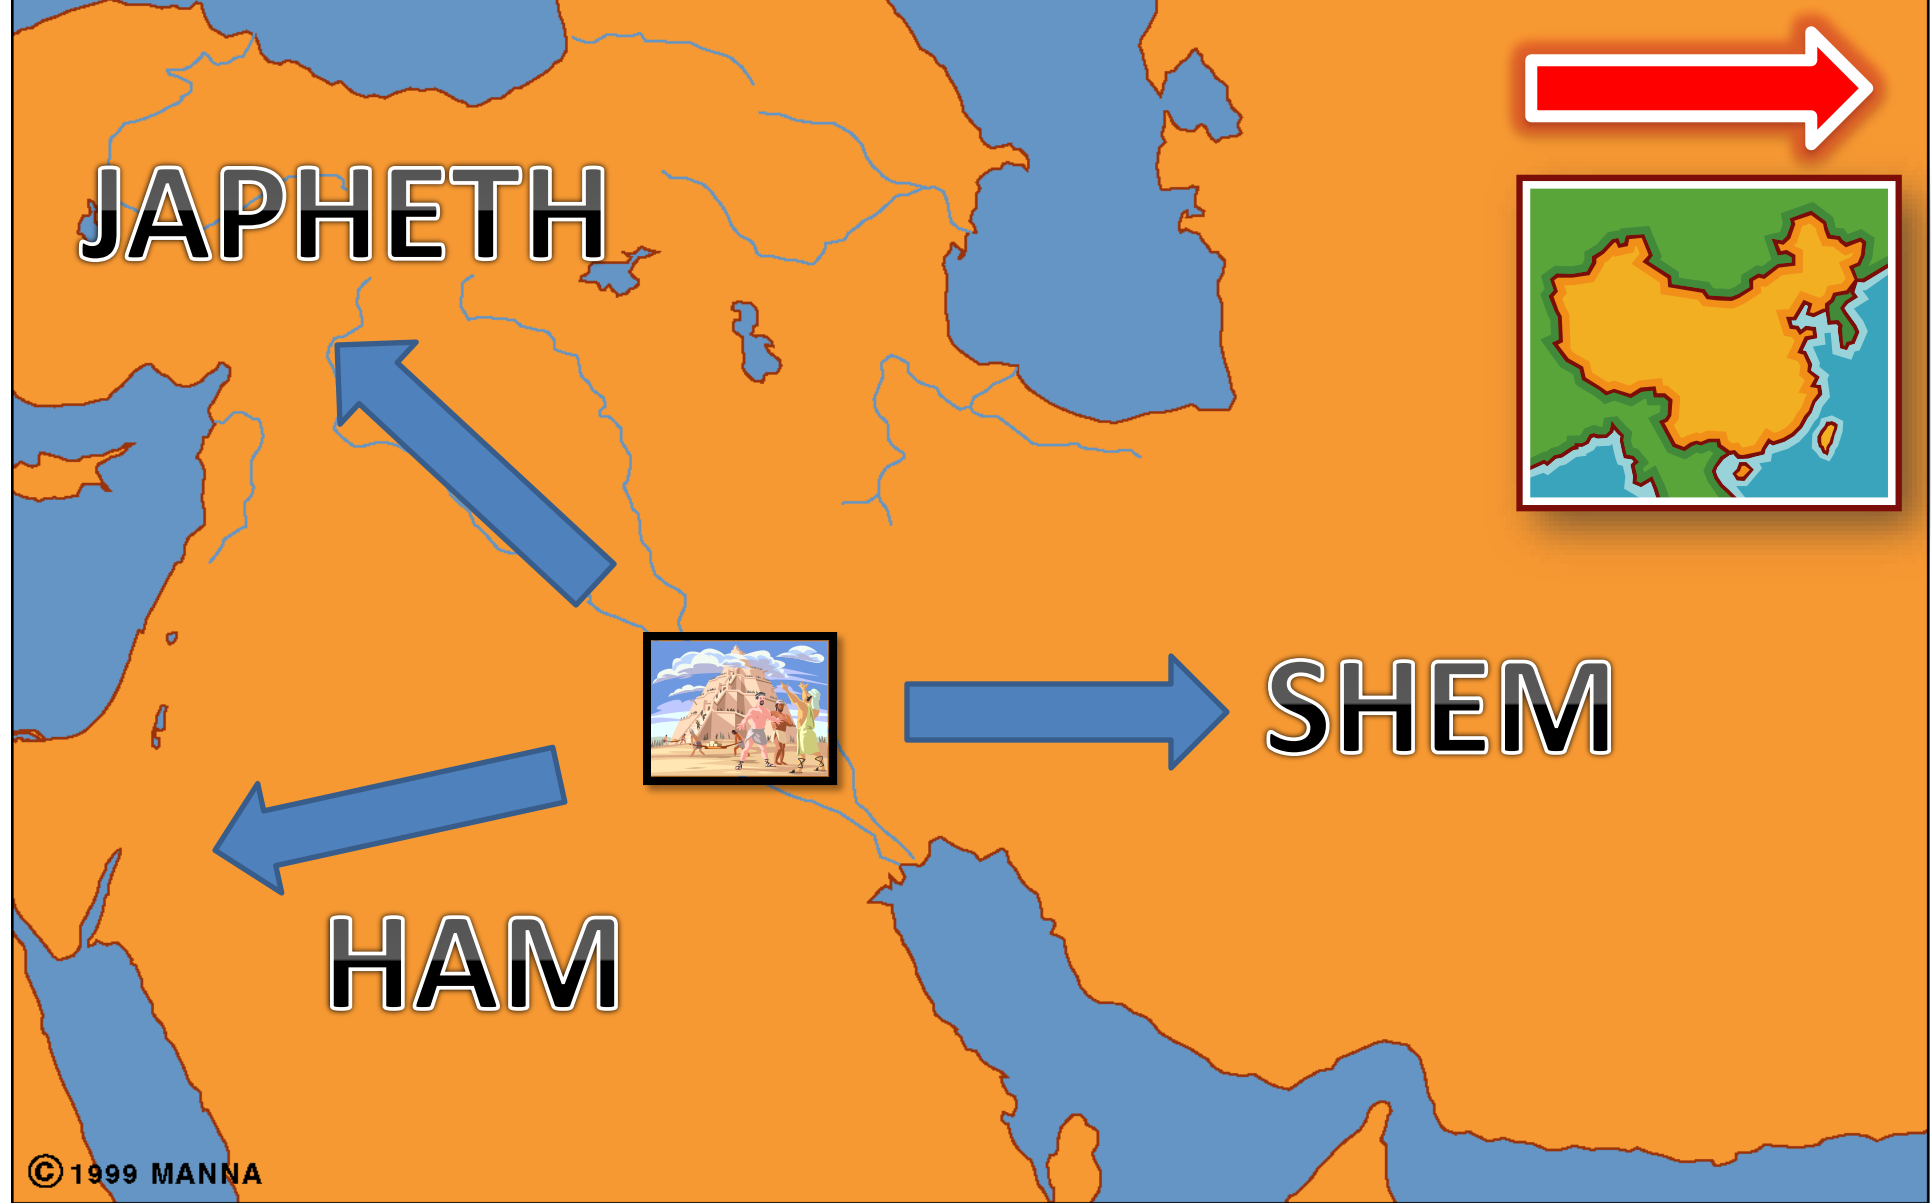

- ✓ **They believe it is simply myth and fable written by western men; they think of it as an English book**
- ✓ **The Bible was not written in English but in Hebrew and Greek**
- ✓ **It's first writers were from Egypt & Babylon (Iraq)**
- ✓ **The first five books were written by Moses, an adopted son of the king of Egypt (1400 B.C.)**
- ✓ **These five books focus on the beginning of the nation of Israel; but the first 11 chapters of the Bible records the history that all nations have in common**

- The events following the flood are key to understanding the Chinese language
 - Flood **Genesis 6-9 (p 6)**
 - Earth divided **Genesis 10:25 (p 10)**
 - Tower of Babel **Genesis 11:1-9 (p 11)**
